

The Gherkin Building, London, England

ELIMINATE COORDINATION ERRORS & MITIGATE RISK

Your projects are complex. They involve many people from many companies constantly communicating, sharing documents and data while collaborating.

NEWFORMA PROJECT CENTER CAN HELP LOWER THE CHANCES OF POTENTIAL DISPUTES BY:

Transparency

See who did what, and when.

File transfer

Find and send anything at any time.

Single Location

Newforma can improve efficiency and mitigate risk by assuring your project information is up to date and available when you need it and wherever you need it – at the office, from the cloud, or on the go.

Audit Trail

Newforma logs every project action and provides a detailed log for project accountability.

For more information on how Newforma can help you better manage team collaboration, register for a free webinar today at www.newforma.com/webinars.
